

Curriculum Statement 2021/22

The curriculum at Maiden Erlegh Chiltern Edge School is broad, balanced and carefully constructed to underpin a learning environment that is relevant, aspirational and accessible for all. At MECE, students at all stages are provided with opportunities that develop confidence, broaden individual skills, deepen knowledge, and advocate academic excellence to promote a love of learning by fostering the intellectual, creative, moral and spiritual development of all students and to ensure they are fully prepared for the next stage of education and the working environment.

Preparing students for excellent outcomes that meet their individual potential sits at the heart of all we do at MECE. However, the curriculum is also about providing a wealth of opportunities for students to be the very best version of themselves; articulate, thoughtful, confident citizens who are ambitious for themselves and keen to contribute to the community.

Our curriculum is underpinned by:

- Rigour, high standards, coherence
- A core of essential knowledge in the key subject disciplines
- Freedom for teachers to use professionalism and expertise
- Memorable experiences which put learning in a wider context
- A wide range of opportunities for personalised stretch, challenge and support
- A range of rigorous assessment opportunities which support high quality of information advice and guidance for students and parents
- A rigorous programme for personal development and character education (including SRE and preparation for life in modern Britain)
- Varied option choices for all groups of students including the most able and SEND
- Varied progression routes for all students

Personal, Social, Moral, Spiritual and Cultural (PSMSC) education

Running through all of our curriculum, including the pastoral curriculum, are strands of Personal, Social, Moral, Spiritual and Cultural education (PSMSC) which cover themes such as:

- Emotional Wellbeing
- Citizen and Community
- Careers, Work Experience and Work-Related Learning
- British Values
- Personal Health
- Relationships and Sex Education (RSE)
- Risk and Safety

PSMSC is primarily delivered through timetabled PHSE lessons supported by the tutor programme, assemblies and timetabled theme days.

Withdrawal from RE or RSE

Parents have the right to choose whether or not to withdraw their child from RE or SE without influence from the school. Schools should ensure that parents or carers are informed of this right and are aware of the educational objectives and content of the RE and RSE syllabus. In this way, parents can make informed decisions. Where parents have requested that their child is withdrawn, their right must be respected, and where RE or RSE is integrated in the curriculum the school will need to discuss the arrangements with the parents or carers to explore how the child's withdrawal can be accommodated. If students are withdrawn

from RE or RSE, schools have a duty to supervise them, though not to provide additional teaching or to incur extra cost. Students will usually remain on the premises.

Purple Pathway: a bespoke pathway for students entering Year 7 with below 100 scaled score in Reading and mathematics. Students use languages lessons in Years 7 to create blocks of time in order to follow a bespoke curriculum focusing on literacy and numeracy. A key aim of the Purple Pathway is to ensure students make at least expected progress and more wherever possible and to enable the students to access mainstream KS4 pathways.

Key Stage 4 (Years 10 and 11)

The curriculum in Years 10 and 11 is designed to provide continuity, balance and breadth, but at the same time enable students to specialise in courses which meet their needs, aptitudes and career intentions within the constraints of the current national education recruitment, retention and financial crises.

All students starting Year 10 take a core of compulsory examination subjects alongside Physical Education (PE), Religious Studies and Personal, Health, Social Education (PSHE) which is also taught through assemblies, tutor time and themes events.
