

Homework at MECE

Homework at MECE Homework is an important aspect of learning and ensuring continued progress between lessons and over the year. Homework is set via the Bromcom platform which parents, as well as students, have access to.

Homework tasks will vary according to subjects and will include retrieval practice, reading tasks and vocabulary learning. They may also include skills practice, exam style practice, guided research, extended writing and other tasks designed to support learning and progress.

Key Stage 3

Key Stage 3 Students can expect to receive the following homework in Years 7, 8 and 9:

Subject	Lessons a week	Homework Frequency	Homework length (per subject)
Core subjects	4	1 a week	30 minutes

Some subjects (e.g. Drama, DT) may opt for a longer term 'project' style homework the extends over a period of 4-6 weeks in lieu of a weekly task. Where this is the case students will be given clear reminders and guidance to support their completion of the project in a timely manner.
