Dear Parents/Guardians

Exercise Books

Firstly, a huge thank you for all your support in the first few days of this spell of remote provision – we have been extremely pleased with the engagement, maturity and positivity students have shown.

For students in Years 10 and 11, in particular, we understand that many will wish to complete some aspects of their work directly into their exercise books and that many of these books are sitting in classrooms at school.

We would like to extend an offer to you as parents of students in Years 10/11 to come and collect their exercise books if they and you feel it would be beneficial to have them at home.

You will be aware we don't currently have all our teaching staff on site as we are only running a skeleton staff to support the Pop-Up school, so coordinating the books will take us a few days. Therefore, if you would like to come and collect the books they will be available from **WEDNESDAY 13 JANUARY**. Please come to main school reception between 8-4pm on Wednesday, Thursday or Friday of next week to collect books. If students are able to come up independently this is also, of course, fine.

You do not need to advise us in advance unless you wish to collect books on behalf of multiple students.

Yours faithfully

Miss E Bliss
Deputy Headteacher
