Dear Parents/Guardians

I wrote to you all on Monday to outline our remote provision offer for this Lockdown period. Within that email I said I would make contact at the end of the week to seek some feedback. Please find a link to a parent feedback form [here](#). I would be grateful if you could take a few minutes to complete it as we will continue to review and amend our offer as the weeks continue.

You may find it easier to access through a QR code – if so please find it below:

I would like to take this opportunity as our first week draws to a close to thank you for all your support as we resume online teaching. We have been hugely proud of the students and their levels of engagement and quality of work has been fantastic.

Yours faithfully

Miss E Bliss  
Deputy Head
