5 March 2021

Dear Parent/Guardian

Puzzle Pi-Rates Club for Year 7 and 8

Since joining Maiden Erleigh Chiltern Edge, your child has demonstrated an excellent understanding of Mathematics. As a result, we are offering them the chance to join our Puzzle Pi-Rates Club to put their skills to the test!

The Club will run for year 7 and year 8 students **every Thursday** after school from **3:10pm – 4:10pm**, starting from Thursday **18th March 2021**. Students will work as individuals, and in teams, to find solutions to complex logic and worded mathematical puzzles. This will also be excellent preparation for any student wishing to take part in the prestigious UKMT Junior Maths Challenge in April.

There will be a prize draw for any student who successfully solves the **Pi-Rates Puzzle of the Week**. To be in with a chance of winning, students must attend the Puzzle Pi-Rates Club and have submitted a correct solution with clear and methodical working out shown.

If you would like your child to take part, or would like any further information, please contact me via email s.gopal@maidenerleghtrust.org

Yours faithfully

Mrs S Gopal
Maths Teacher
