

STUDENT AND PARENT BULLETIN

Published on 12 March for w/c 15 March **Week 2**

That Was the Week that Was...!

Mr Hartley: "Thank you to all the students for coming back so positively. I have walked around the school on many occasions in the last week and the levels of focus, engagement and calm are very noticeable from almost all students. It's clear you are glad to be back! Keep it up and well done!"

PE Department: "It was great to have all students back in school this week and seeing them actively taken part in PE lessons, having fun, and working with their peers in the team games. More of the same to come next week! Well done to the majority of students for also having perfect kit. If you have any issues with the PE kit, please come and speak to a member of the PE department and we can try and help where possible."
