This week's assembly will be held by Mrs Benham with the theme of...

"A huge well done to the following students for achieving Geographer of the week!

KS3 – Gemma P for her focus in class and detailed written work describing the similarities and differences between Antarctica and the Arctic.

KS4 - Lucas J for his focus in class and contributions to class discussions about changing UK food, water and energy demand and supplies.

Also, a fantastic effort from the following who achieved **Historian of the week!**

KS3- Izaak E for his incredible focus in class and beautiful work produced in comparing the Black Death with the current COVID19 pandemic.

KS4- Rio N for his amazing focus in lessons over the past week and his improvement in working independently and producing great work!

Well done guys!" **Miss Shepherd**

“A special shout out to year **10 French** who have settled into lessons really well. It’s great to see their engagement in lesson – well done!

7E1 French have also made a really good start to in-school lessons and continue to ask good questions and complete work to a very good standard – well done.” **Mrs Foster**

“Hi everyone!

I am beginning an Equality club at school from next week and would love for some of you to get involved too! The club will be focused on our students gaining a greater knowledge of culture, race, sexuality, religion, and disability.

If you feel comfortable in doing so, I'd love some of you to come and be a guest speaker one lunchtime. You could talk about your culture, how often/why you pray, heritage, recipes from your culture etc. If you would like to be one of my guest speakers, let me know 😊

Holi day is coming up soon, do you celebrate this festival, if so, it would be great to talk about why/how you celebrate!

I will be talking about Easter before we break up for half term, and as a Catholic why I've given up something for lent.” **Miss Fay**
