A particular mention to **Year 10 French** classes who made a great start to term this week. They engaged well in lessons and showed great skills in noticing language patterns and applying them to the present tense.

In the languages department we will be celebrating 'l'été de la culture' (summer of culture) with most year groups watching a French film this term or next. This is a great opportunity for students to discover some well-known French films and this week's KS3 homework is to create a poster on this theme - we look forward to receiving these and the best will be put up in the department or shown on the school entrance/canteen screens - **Mrs Foster and Miss Biddiss**

Here are some photos of the amazing work **Year 8** completed over the Easter Break; creating a stage based on Shakespeare's play *A Midsummer Night's Dream* – **Miss Jackson**

A message from the **Children's Commissioner**:

"Hi, my name is Rachel de Souza and I'm the Children's Commissioner for England. My job is to speak up for children in England, stand up for their rights, and make sure that the people in power listen to what children need and want.

It's time to give something big back to young people like you after COVID — **and we need your help to do it.**

This is the largest ever survey of children and young people in England. We'll use what you tell us to show the government what you think, and what children need to live happier lives.

This survey will only take you 5-10 minutes
