Dear Parent/Guardian

Year 10 Parents' Evening Tuesday 8 June 2021 - Online Appointment Booking

I would like to invite you to virtually attend our Parents' Evening on Tuesday 8 June, 4:30pm - 7:30pm. This parents' evening is a very important event in the academic journey of our students and will provide parents with some clear feedback on your child's progress since returning from home learning. We hope this will be invaluable in the preparations for next summer's GCSEs.

The school has introduced a new, intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. The appointments will be by video link so please make sure you are somewhere near a strong broadband connection.

Appointments are now available and will close on Monday 7 June at 8pm.

Please visit <https://chilternedge.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is attached.) The following link will also be useful on the evening in terms of providing support.

The names you use are those you gave us when you joined the school and are on our School Management Information System.

Please could we ask if your student is taught by the same teacher for more than one subject that you only book one slot with that teacher.

If you do not have access to the internet or have problems logging in, please contact the school office who will be happy to add appointments on your behalf.

This will be one of our first attempts at using such software, however, based on the ease of set up, initial attempts at creating appointments and the reviews from other schools, the evening should be a great success. We look forward to seeing you there.

Yours sincerely,

Andy Hartley
