Don't forget that **Sonning Common Youth Club** are back in the Youth Wing at MECE, every **Tuesday and Wednesday evening, 6:30-8:30pm**. Both sessions are **open to all year groups (Year 6 - Year 11)** where attendees can try out new crafts, bake delicious treats, play sports, enjoy trips and much much more!

Youth Club are also able to offer the opportunity for young people, aged 14-25, to train as Young Leaders. This is a chance to gain leadership experience, work together towards goals, support others and also have the chance to go on a residential trip. Young Leaders will also be able to help with the running of Youth Club, bringing new ideas to help keep the club fresh, exciting and current.

Poetry of SCIENCE 2021

MAY HALF TERM
POETRY
COMPETITION

WRITE A POEM
ABOUT SCIENCE

What can I win?

The winning poem and two runners up from each age category will be performed at a special event at IF Oxford, the science and ideas festival in October 2021 (this may be a virtual event).

Winning poems will be published online and in a printed anthology.

Other prizes will include science kits and books.

What sort of poem can I write?

Your poem can be in any poetry style you like – (how about a limerick, haiku, acrostic poem, rap or sonnet?). Your poem doesn't have to rhyme.

Your poem should have something to do with science. It could be about a scientific idea or discovery; a science lesson or experiment; a scientific issue that is important to you; a famous scientist, or just why you love science!

Your poem should be a maximum of 150 words.

DEADLINE: WEDNESDAY 9th JUNE. ENTRIES TO BE GIVEN TO YOUR ENGLISH OR SCIENCE | TEACHER
