SCHOOL SKIING

BOOK WITH CONFIDENCE

Since March 2020, young people have sadly missed out on the once in a lifetime opportunity offered by overseas school trips and tours. Select are more determined than ever to work with our party leaders to ensure that students can look forward to enjoying these opportunities once again. We understand that schools will need even greater reassurance and flexibility as part of a comprehensive ski programme. One that offers added booking protection and further support, as well as promoting a safe environment for students and staff.

As part of this, we can now offer:

- Flexible payment plans
- Free cancellation with 100% refund within 30 days prior to departure date*
- Financial Protection with ABTA & ATOL – 100% protected school trips.

Select will ensure that all official measures implemented by the UK government, as well as all guidance issued by the School Travel Forum (STF) will be adhered to by us, as your Tour Operator, as well as by our industry partners and suppliers.

All overseas partners, including accommodation providers will be required to comply with local and national public health regulations.

Our Regional Travel Advisors are available now to discuss any requests or queries for the 2021/22 ski season.
