Dear Parent/Guardian

Year 11 Enterprise Day 14 September

We are excited to inform you that on Tuesday 14th September, year 11 students will be participating in an educational and enrichment activity, hosted by Unloc. Unloc are one of our careers partners and they will be delivering a day of Enterprise workshops and activities to students in Year 11 to explore and develop learning and workplace skills.

Students will spend the morning in skills-based workshops before embarking on an enterprise activity, culminating in pitches at the end of the day. Students will be learning about finance, marketing and branding as well as how to successfully pitch to an audience.

We hope that the day will be inspiring and motivating as students embark on their final year here at Maiden Erleigh Chiltern Edge, building skills useful during this year and beyond. This day will give students an opportunity to continue thinking about their future, following on from the Careers Days they had in June and ahead of the post-16 choices they will need to make.

Thank you in advance for your support.

Yours sincerely

Mrs J Chopra
Associate Assistant Headteacher
