Dear Parent/Guardian

Face coverings

Following several positive lateral flow tests from students on Monday we have decided to modify our actions and mitigations to reduce further transmission of COVID.

With this in mind, we will be asking all visitors to wear face coverings in school as a temporary measure. We will also be recommending to students to wear face coverings in the classroom and in the corridors and inside open areas. To support this matter all students will receive a face covering from the school this morning. We will be making a similar recommendation for the wearing of masks when using school transport. This is not compulsory, and the non-wearing of a covering will not result in a sanction however we hope that the students will take this pro-active step for the good of our learning community.

Thank you for your ongoing support in this matter.

Yours faithfully

Andy Hartley
Headteacher
