Dear Parent/Guardian

Puzzle Pi-Rates Club

Since joining Maiden Erlegh Chiltern Edge, your child has demonstrated an excellent understanding of Mathematics. As a result, we are offering them the chance to join our **Puzzle Pi-Rates Club** to put their skills to the test!

The Club will run for Year 7 and Year 8 students every **Tuesday at lunch time (in M3)** from **1:30pm – 2:00pm**, starting from Tuesday 5 October 2021. Students will work as individuals and as teams to find solutions to complex logic and worded mathematical puzzles. This will also be excellent preparation for any student wishing to take part in the prestigious **UKMT Junior Maths Challenge** in April.

There will also be a prize draw for any student who successfully solves the **Pi-Rates Puzzle of the Week**. The puzzle will be given to students every week. To be in with a chance of winning, students must attend the Puzzle Pi-Rates Club and have submitted a correct solution with clear and methodical working out shown.

If you are happy for your child to take part, or would like any further information, please email **Mrs. Gopal** at s.gopal@maidenerleghtrust.org.

Yours sincerely

Mrs. Gopal
Mathematics Teacher
