Dear Parent/Guardian

Catch-Up Immunisations

We are very proud of how everyone dealt with the immunisation day yesterday, it went very smoothly, and the Oxford Health Immunisation Team were full of praise for our school and everyone in it.

If your child missed their immunisations yesterday, but you would still like them immunised, please see the information below:

- Any child that has consented but did not get a flu vaccine yesterday will be contacted directly by the immunisation team to arrange immunisation (off site).
- A flu catch-up session will be arranged within the community (not at school) for all those who have not yet consented, this will be detailed in an email that will be sent out by school at a later date
- There will not be a COVID vaccination catch up session, parents can email bobcovid.schoolimmsqueries@nhs.net to request a COVID vaccine for their child outside of school

Yours faithfully

Maiden Erlegh Chiltern Edge
