Dear Parent/Carer

### **12-15 Covid School Vaccination programme**

In the last few weeks, you will have received an offer for your child to receive the Covid vaccine at school through the School Aged Immunisation Service. We are aware that some children have not been able to be vaccinated either due to capacity within our school aged immunisation team or because they were not in school on the day we visited.

To make access easier for your child, we are piloting catch up appointments at The Kassam Stadium, Grenoble Road, Oxford, OX4 4XP. Appointments will be available as below

- Wednesday to Friday (20-22<sup>nd</sup> October 2021) 16:00 and 19:00
- Saturday and Sunday (23-24<sup>th</sup> October 2021) 10:00 and 16:00

Please note only children with a prior appointment will be able to receive their vaccination.

If you have not completed your Consent Form and wish for your child to be vaccinated please submit a consent form by following this link [Vaccination Consent \(oxfordhealthimms.co.uk\)](https://www.oxfordhealthimms.co.uk) . If you are unsure of the School Code please refer to your original offer letter or contact your school.

To book an appointment in one of these clinics please click on the link below.

<https://www.oxfordhealthimms.co.uk/ClinicBooking/Booking>

You will be required to enter your booking reference number which you will have received previously in an email from Cinnamon.

*REMINDER - We cannot vaccinate any child within 28 days of a positive PCR test*

If the pilot is successful, we will consider how we can replicate it at other sites across the county.

NB this service is only currently available between the 20<sup>th</sup> and 24<sup>th</sup> October to children who have already received an offer to be vaccinated through their school. Please do not share this link as those who have not been contacted by their school will be turned away.

Yours sincerely

Fiona Singleton  
Immunisation Operational Team Lead
