Dear Parent/Guardian

Parent Conference – Sexual Exploitation, Grooming and Sexting

I am writing to you regarding a virtual event being held on Thursday 25 November. Our Trust partner, Maiden Erleigh School, is hosting the event and I know it will be of great interest to many of you. As teachers, as parents and as adults, I know we all worry about the ongoing issues that adolescents face from their use of technology. This event focuses on the matters of sexting, grooming and sexual exploitation, issues that have been in the news regularly for a number of years.

I have heard very positive reports of these conferences so I hope this one will be of interest to you and also help to support us all in looking after the young people in our care.

This event was originally going to be hosted at Maiden Erleigh School, however, it is now going to be a virtual event. To book onto the event, please click on the link in the poster that is saved [here](#). Select Maiden Erleigh School when booking, a link will be emailed to you in time for the event.

We are aware that this event clashes with our Presentation Evening and ask, if your child has been invited to accept an award, that you still attend Presentation Evening.

Yours faithfully

Andy Hartley
