Dear Parent/Guardian

Christmas Raffle

We are thrilled to be joining forces with the PE department this year to put together a fantastic Christmas raffle!! The proceeds of which will be going towards the refurbishment of the school gym. This is an area that has been much used and loved in the past, but is now in need of new equipment, so we are keen to raise as much money as we can towards getting this facility up and running, with new treadmills, rowing machines and a weights area.

Monday 6 December – Friday 10 December will be a Donation Week when students are invited to bring in donations for the raffle and drop them off in the school reception. It would be great if we could receive the following from each year group:

Year 7 - £2 suggested donation towards hamper prizes

Year 8 – Chocolates and biscuits

Year 9 - Hand creams, nice smellies etc

Year 10 – Craft and garden gifts

Year 11 – Christmas foods, chutneys etc

Raffle tickets will be coming home with students soon, so please buy what you can and get the whole family involved. The raffle will be drawn on the final evening of The Addams Family performance, Thursday 16 December.

Thank you for your support!

Yours faithfully

The CESA Team
