Dear Parent/Guardian

Year 11 Parents' Evening Tuesday 7 December 2021 – Virtual

As you will know from the communication we sent out yesterday we have decided to make our Year 11 Parents' Evening a virtual event. This decision was prompted by the current concerns regarding the Omicron variant and the general restrictions imposed by the government. Therefore, we would like to re-issue the invitation to the event. In terms of appointments already made these will just 'slide across' to become video appointments that will occur at the same time.

Year 11 students will be receiving their PPE results that afternoon in a results assembly, and the PPE results will also be emailed to you. Please make appointments with your child's subject teachers who will be able to discuss the exam results with you and your child.

Appointments already made via School Cloud will automatically change to virtual appointments so there is no need to book appointments again. Please feel free to amend any appointments you already have. You will receive a reminder email confirming your appointments an hour before the event takes place.

Booking of appointments will close on Monday 6 December at 7pm.

Please visit <https://chilternedge.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is available on our website.) The following link will also be useful on the evening in terms of providing support.

If you have any issues in booking any appointments, please contact 0118 972 1500 or alternatively send an email to meceoffice@maidenerleghtrust.org.

We look forward to "seeing" you very soon!

Yours sincerely

Mrs C Ashley
Head of Year 11
