## Who's in charge?

Parenting programme

18 January - 29 March 2022    10.30am-12.30pm    Online

- ★ Is your child aged 8-16 years old?
- ★ Does your child threaten, hurt or intimidate you?
- ★ Does your child make you feel isolated, stressed or guilty?

Who's in charge parenting programme aims to provide support to parents whose children are verbally and physically challenging, and are becoming increasingly violent and defiant.

This group provides a supportive environment to help you develop individual strategies for managing your child's behaviour, helping you feel more in control and less stressed.

The programme is delivered on Tuesdays, term-time only.
