

Update on wearing face coverings whilst at school

Yesterday, the Government have **updated their guidance** about the wearing of face coverings in schools

From **TODAY** students and staff are no longer required to wear face coverings in classroom settings.

You **are still required** to wear a face covering on the school bus and in communal areas (which includes: corridors, canteen, AV Theatre)

We know many students and staff will **continue to wear** a face covering in lessons.

If you **choose** to then please wear it correctly (covering nose and mouth).

To help keep everyone in the school community safe we will be continuing with hand sanitizer at the starts of lessons, maintaining the one-way system around site, promoting outside routes, avoiding mixed year group assemblies & encouraging twice-weekly COVID testing (at home).
