The best photos will be selected to form part of a school exhibition with prizes awarded to winners in KS3 and KS4. Staff are also encouraged to submit a photo.

Maximum of **3** photo entries per student and staff

**Upload photos that finish the sentence:**

## Eco Club Crisp Packet Project

### Giving life to one use plastics and saving lives

We are pleased to announce the launch of our latest initiative at Eco Club...

You can now recycle your crisp packets in the school canteen, just look for the red recycling bin by the canteen entrance. What is so fantastic is that, not only are you helping the environment, but you will be helping the homeless too, as our "rubbish" will be recycled into survival items such as blankets and sleeping bags, which will then be distributed to homeless charities.
