Students in Year 10 following a core examined curriculum of English, Maths and Science. In addition, students take 3 Options subjects.

We would encourage you to make appointments to meet with each of the subjects your son/daughter studies. Some students have 2 teachers in Science and Maths; It is not necessary to see both of these staff.

You may also wish to make an appointment to see your son/daughter's form tutor to discuss their overall progress, attendance or attitude.

Appointment sheets will be given to students in order for them to make appointments on your behalf with the staff you wish to see.
