

# 'One day is ....' photo competition 2022

Mussa Uwitonze

'Photography is an art that helps you open up and express yourself. It is a voice; it is a tool for change.'

# It's time to **vote** for your favourite photo!

Back in January the '**One Day is ...**' photograph competition was launched.

It was directly linked to the theme for HMD 2022 and students and staff were set the challenge to submit photographs **inspired by Mussa Uwitonze**.

There was a fantastic response and thank you once again for your amazing snaps and creativity.

The following presentation will reveal the finalists. Voting will take place in tutor time on Monday 21<sup>st</sup> March

Prizes will be awarded to the winners and certificates for all finalists. All students who entered the competition will be rewarded with house points.
