11 March 2022

Dear Parent/Guardian

### **BROMCOM PARENT APP LAUNCH**

As you are aware we have recently launched a new management information system (MIS) to manage all elements of student and staff data called BromCom.

We are now able to roll out the use of the associated Parent App which is called '**My Child at School**' (MCAS). The App can be downloaded for free from app stores and has functionality on both Apple and android smartphones. Initially parents will be able to view student timetable, attendance and behaviour through the app as well as being able to update contact details. In the coming weeks we will be launching the homework and reporting facilities too.

**Parents of students in Years 10 and 11** should receive a further email later today with details of how to set up the app and your login details.

**Parents of students in Years 7, 8 and 9** will receive this information early next week. Should you encounter any difficulties in setting up the app for your son/daughter please contact the school office (meceoffice@maidenerleghtrust.org) and a member of the team will be able to support you.

Yours faithfully

Miss E Bliss  
Deputy Head
