Dear Parent/Guardian

English Homework Scheme and Tassomai

As part of the English homework scheme, all pupils were asked to complete 3 days of Tassomai since October. Unfortunately, there have been many issues including: lack of engagement, log in problems, completing the tasks outside of the specified period and then pupils being fined with a detention.

I feel that Tassomai is not meeting the needs of our pupils therefore I have notified pupils that we will not be setting Tassomai homework or using it from here on in.

Instead, weekly homework will be set by teachers which will be linked to the learning completed in class. It may include tasks of research, summaries, essay paragraphs. Teachers will continue to set the homework on ShowMyHomework.

I hope this helps to alleviate some of the challenges pupils experienced whilst working with Tassomai homework.

Thank you for your support and understanding regarding this matter.

Many thanks

A. P. Hussain.
