Reflection and Prayer Room

We now have a non-denominational reflection and prayer room next to the Head of Years office which is available for all students to use. This room will be a lovely space for our fasting students to use for prayer over the next month.

Our Aim:

To support the most vulnerable children & adults across Hampshire & Berkshire

SPOTLIGHT UK

Spotlight UK started in April 2009. Our aim is to work with young and old to increase confidence, self esteem, and social interaction and to help improve fitness and mental wellbeing.

Activities for Children...

Spotlight UK has created a unique environment for young people which is both safe and fun, allowing children to be themselves and express their feelings through various free activities and clubs. There is something for everyone - from sports activities to performing arts, youth clubs to bowling or trampolining.

Spotlight UK supports around 500 children in free activities each week.

We aim to increase numbers with more activities being set up across the Hampshire and Berkshire.

Intergeneration & Youth Social Action

Spotlight UK work to bring young and old together through intergenerational projects whereby young people spend time with care home residents chatting and playing games, producing shows for the elderly to watch, create pen pals between young and old to help reduce isolation and loneliness

We also provide opportunities for young people to make a real difference in their communities through volunteering, fundraising and campaigning on topics important to them to give them a voice and in return they can gain ASDAN certificates.
