Dear Parent/Guardian

MECE Fundraising & Bridges Estate Agents

As we continue to upgrade the school site, we have been looking at options that will provide a covered outside space for students to use all year round. We have looked at several options and have decided that the open space between the AV theatre and the library would give us an area of 40 ft x 40 ft that we could make usable in all weathers by installing a canopy, like the one in the photo.

We have had several quotes for the area, with figures starting at an eye-watering £39,000 plus VAT. We do feel that this would be money well spent as this additional space would be a wonderful addition to the school grounds, providing a sheltered space that can be used during break and lunch times and benefit students in all year groups.

We are very lucky that Bridges Estate Agents have offered to help us fund raise for this canopy. In addition to providing us with a very generous £250 1st prize for our recent raffle, **Bridges will donate 15% of their fee to MECE when anyone mentions us when selling their house through them!** This generous offer does not just apply to parents of our students, but extended family and friends also; it would be wonderful if we could benefit from this fabulous opportunity and any funds donated through this scheme will go towards our canopy.

I hope you will agree that this is a good cause to work towards as a school and that you will share the details of Bridges Estate Agents' offer with anyone considering using them to sell a property.

Yours faithfully

Andy Hartley
