

Dear Parent/Carer

**Catch up Vaccinations – Yr 9 and Yr 10 Td/IPV and Men ACWY**

A team of Immunisation Nurses will be attending **Maiden Erlegh CHILTERN EDGE** on **15/06/2022** to offer catch up vaccinations. Students in Year 9 are routinely offered these vaccinations, but we are aware that some Year 10 students may have missed them during the pandemic. If we have a valid consent, but your child missed the main school session in 2020, 2021 or 2022, they will be offered their 5<sup>th</sup> dose of Tetanus, diphtheria, and inactivated Polio (Td/IPV) and Meningitis ACWY (Men ACWY) on the above date. Please read the leaflet available [here](#) which explains the vaccination programme.

Please **DO NOT** submit a consent if your child has previously received these vaccinations, or if you have already consented to vaccination. If you are unsure if you have submitted a consent form, please search for a confirmation email from Cinnamon Digital Applications in your email inbox.

If you missed the deadline to consent and your child has not received these vaccinations, please follow the link to the consent portal on the next page and submit a consent at least 2 full school days before the school session. If any medical information has changed, or your child has received these vaccinations outside of school since you submitted the original consent, please email [immunisationteam@oxfordhealth.nhs.uk](mailto:immunisationteam@oxfordhealth.nhs.uk) or telephone **07920254400**.

Please note if you are unsure whether your child has received these vaccinations, please contact your GP in the usual way **BEFORE** submitting another consent form.

Yours faithfully,

Susan Mahoney
