16 June 2022

Dear Parent/Guardian

Friday 17 June – Heat plan

I am writing to you regarding the extreme heat we are forecast for tomorrow and how, as a school, we are planning to keep students comfortable and safe while they learn in the classroom.

Firstly – For tomorrow **only**, we will allow students to attend school in their PE kit. This must be Maiden Erleigh Chiltern Edge PE kit and not students' own clothes choices. Any student arriving in non MECE PE kit will be given uniform to wear from our store.

Secondly – We will have a water station set up outside the canteen so students can get a drink *between* lessons during the day. This will allow students to stay hydrated without having to come out of lessons disrupting their own learning and that of others.

Lastly – We will be relocating a number of classes from rooms that we know to be very warm allowing students to stay cool as they learn.

Therefore, just to confirm we will be open tomorrow as normal but we are working hard to support students in staying safe and cool at all times.

Take care and stay safe in the heat.

Yours sincerely

Andy Hartley
Headteacher
