## Detention systems- a reminder

- Departmental detentions are given if a student misses a homework or has poor conduct in a lesson. These take place on Monday-Thursday
- Blue slip detentions are set for a lack of equipment, incorrect uniform. These take place in the AV at break
- Friday lunch detentions are led by SLT and are for poor punctuality (3 or more lates in the week), missing break detentions or a particular behaviour incident
- Anyone missing any of these detentions or behaving poorly in a detention will be set a Wednesday after school detention which lasts for one hour. Failure to attend this results in a Friday after school detention with SLT until 4.30pm. After school detentions may also be set for one off incidents of poor behaviour

## Mobile Phones

- Just a reminder phones are not permitted to be used by students at MECE this is for safeguarding reasons , but also because of the distraction they cause
- If they are seen out they will be confiscated and will be returned at the end of the day. Students will receive a breaktime detention as a sanction
- On the third occasion parents will be informed and the phone will only be returned to them when they come and get the phone.
- If students refuse to hand over their phone this becomes defiance which will result in a more serious sanction (usually the removal from lessons)
- I will be writing to parents today to remind them of this. Mr Hartley

Please be aware that we have students in school with severe nut allergies and therefore, we are a nut free school. Please ensure that your child does not bring in any foods containing nuts e.g. peanut butter, Nutella-like chocolate spreads, cakes, satay sauces etc
