Dear Parent/Guardian

### **GCSE Dance 2022-2023**

We have now managed to finalise our timetable for 2022-2023 and as a result we are pleased to announce that we are able to offer GCSE Dance. This will be taught through one hour a week of PE lessons and in addition, there will be a one hour after school lesson each week. Despite this commitment the students will still need to complete the course in 96 guided learning hours which is less than the recommended 120 hours. Ms Gardner has assured me that given the calibre of the students this will be possible to both complete the course and achieve strong outcomes.

However, the school reserves the right to stop the course if there are any long-term absences in the PE department that may need covering or if the member of staff delivering the course leaves the school.

Please complete the Microsoft Form below if your son/daughter is interested in studying GCSE Dance as an additional GCSE in September.
