5 September 2022

Dear Parent / Guardian

My Child at School (MCAS), Student App, ParentPay & Timetable

We hope that your Year 7 has had an enjoyable first day at MECE.

You will soon receive an email from Bromcom with an invitation to set up the My Child at School App (MCAS). The App can be downloaded for free from app stores and has functionality on both Apple and android smartphones. You will be able to view the student timetable, homework, attendance and behaviour through the app as well as being able to update contact details, please check that all your contact details are correct.

If you experience any difficulties logging in please contact a member of our Admin team via email meceoffice@maidenerleghtrust.org

Tomorrow, during registration, students will be given their log-ins for the Bromcom Student App. The vast majority of students will choose to have this app on their phones so they can keep track of their behaviour & house points, their timetable and their homework commitments. For students who are unable to load the app onto a phone there is a web-based platform which allows students to access the same information.

If you have not yet set up a ParentPay account, please send your child in with a packed lunch tomorrow. If you have not received your ParentPay log in details, please let us know.

Finally, students have today received their timetables and they will be following this timetable starting tomorrow. Please make sure that your child has their PE kit for PE days. Our timetable works on a 2 week basis, we are currently on week one.

Yours faithfully

Year 7 Team
