Students should also be equipped with Tools for Learning.

Year 10 have been set some key tasks/ reading on Google classroom to complete so that they return in September prepared for this crucial year. Please encourage them to submit this before the start of school.

This will provide key information for the year ahead from Head of Year Mrs Ashley and members of the Senior Leadership Team, including our approach to teaching and learning and how we support your child over the course of the year.

The session will last around 45 minutes and will take place in the Main Hall. Please enter the school site via the Training Suite Door which will be clearly marked. Students are welcome to attend with you, but the evening is primarily aimed at providing critical information for parents and carers.
