Dear Parent/Guardian

### Homework Club

I am writing to let you know that from Tuesday 13 September our Homework Club will be running. Homework Club opens on Tuesdays, Wednesdays and Thursdays from 3.15 to 4.15pm and provides students with a quiet supervised study space to complete work.

Students who complete homework on a regular basis across secondary school are known to make greater progress than their peers. Additionally, we know many students struggle to use technology and find a quiet space at home and this club will allow students to gain access to both.

We will also be expecting some of our students to attend this club when they have struggled to complete homework on a regular basis and Heads of Year will be contacting parents to whom this applies in the next week or so.

Thank you for your support for this initiative.

Yours sincerely

Andy Hartley
