Dear Parent/Guardian

### Parking

I am writing to you regarding parking around the school site at the end of the school day.

In the last year the number of parents coming up to school to pick up students has risen and in correlation with this there have been an increasing number of complaints from residents regarding parking and the behaviour of a few drivers towards them.

Please can I ask that if it is busy you park away from the school further down Reades Lane, in the War Memorial Park car park or up in the village so that we can ease congestion around the school as much as possible and keep everyone safe and the traffic moving.

Many thanks for your support in this matter.

Yours sincerely

Andy Hartley
