17 October 2021

Dear Parent/Guardian

Mock Interviews - Year 11

We are delighted to announce that our Year 11 cohort will be taking part in face to face mock interviews on Tuesday 18 October 2022. The interviews will last 20 minutes and will take place in the training suite. Each student will receive the day and time of their interview and must arrive 5 minutes before the scheduled start.

Our students have been working immensely hard in their PSMSC lessons, designing their CVs and writing their covering letters. Students have also been given support via email and in optional CV workshops during break and lunchtime. The students have all chosen a sector which interests them the most and will be discussing their future career paths virtually with industrial specialists and Maiden Erlegh Trust Staff.

We hope that this process will allow our Year 11s to experience what an interview feels like and help prepare them for future interviews, which for many, are just around the corner. The students will also receive feedback on how to improve their interview skills and how to manage their next steps into the working world.

If you have any questions or queries, please do not hesitate to contact me.

Yours sincerely

Mrs K Hardman
Head of Science
