Dear Parent/Guardian

Parking

Further to my letter earlier this month, I am writing to you regarding parking around the school site at the beginning and end of the school day.

We continue to have complaints from residents regarding parking.

If it is busy, please park away from the school further down Reades Lane, in the War Memorial Park car park or up in the village so that we can ease congestion around the school as much as possible and keep everyone safe and the traffic moving. Equally, please not block resident's driveways or park near junctions as this causes frustration all round.

Thank you for your continued support in this matter.

Yours sincerely

Andy Hartley
