Dear Parent/Guardian

### Year 9 reports

This afternoon the Year 9 reports have been uploaded to the MCAS App. It contains information on academic progress, current attendance and behaviours for learning. You can find totals of behaviour and achievement points under the 'Behaviour' tab on the app.

Please find a communication regarding reports [here](#).

I would encourage you to discuss the contents of this report with your son/daughter. If you have any queries please direct them through your son / daughter's tutor in the first instance.

Yours sincerely

Ms C Biddiss  
Head of Year 9
