SF SAID

SF Said won the Nestle Smartie Children's Book Prize in 2003.

SF Said has written 4 books for children, each of which have been nominated for awards. He is a big advocate for reading for pleasure!

Varjak Paw, his first book, has been translated into 14 different languages, as well as being transformed into not only a stage play, but an opera too!

His books always look at belonging and identity of the character, prompting the reader to think.

If you like **Abi Elphinstone** or **Hannah Gold**, you'll love these books!

Happy reading!
There's a book for everyone out there, so if you haven't yet found your favourite - keep reading! It could be the one you open next...
