

16 December 2022

Dear Parent/Guardian

### Uniform Expectations for January

As the term draws to a close, I am writing regarding uniform expectations for January. We are very proud of our students and how they look and present themselves and we will continue to maintain our current policies. The uniform list can be found on our website [HERE](#), however, please also remind your child of the following:

1. Shoes – Unless there is a medical exemption, all students must wear black school shoes that are of a “polishable” material. Boots, trainers, canvas shoes etc. are not appropriate and this therefore includes the plain black trainers some students have tried to wear to school.
2. Jewellery – Only one small, plain gold or silver stud or hoop in each earlobe is accepted. No other jewellery should be worn and **this includes diamante style earrings**. Students wearing inappropriate jewellery will have it confiscated and made available to collect from Student Services at the end of the day. **Please note nose studs or other piercings are not permitted and must be removed. Tape or retainers are not acceptable.**
3. Make-up – No make-up is permitted except light foundation. Nail varnish, gels or acrylics are also not permitted. Students will be asked to remove make-up and nail varnish at Student Services.
4. Skirts – Skirts must be grey drop waist skirts worn no shorter than just above the knee. Students who have skirts that are too short will be asked to wear a skirt from our stock until a replacement skirt is purchased.
5. Hair – Hair must be well-groomed with no extreme styles or unnatural colours. Please ensure hair is cut no shorter than Grade 1 and there are no lines or patterns cut into hair or eyebrows.

Thank you for your support in this matter and for enforcing the high expectations we have of our students at Maiden Erleigh Chiltern Edge.

I wish you a relaxing break.

Yours faithfully

Mrs N Benham  
Assistant Headteacher (Inclusion)
