## Inter-house Football Competition

### Year 10 Winning House – Thames

During the last week of term it was inter-house football for all year groups within their PE lessons. Unfortunately, due to the frozen weather this had to be moved indoors to the sports hall and played as a 6 aside indoor football tournament. The students on the whole were excellent, worked well in their house teams and cheered each other on during the games. Due to the competition being played indoors we were not able to complete all the games for year 7, 8 and 9 and these will be completed after Christmas. For the smaller year groups in years 10 and 11 we were able to do a combined girls and boys team for each house which meant we could get through all the games with the overall winners being Peppard House for year 11 and Thames House for Year 10. Well done to those two houses and we look forward to completing the rest of the year groups after Christmas.
