6 January 2023

Dear Parent / Guardian

Your School Lottery

We are very excited to share with you the launch of our new weekly school lottery which has replaced our in-house lottery. Costing just £1 a week to play, you will have the chance to win up to £25,000, every week! But the best thing about it is, all funds raised will go towards buying resources and experiences for our students here at MECE.

As the Parent Association, fundraising is an important part of our role at MECE and we have previously used monies raised to purchase picnic tables and benches for the outside areas, a laser cutter for design technology, a court room experience, books and additional classroom resources and much more for our students.

We hope that you will consider participating in this exciting lottery and share the details with friends and relatives, as the more people we have playing, the more money we will be able to spend enriching the school life of our children at MECE.

Click [HERE](#) for full details and to buy tickets.

The next lottery draw will take place on Saturday, 7 January 2023.

Good luck!

Yours faithfully

The CESA Team
