Dear Parent/Guardian

Bus Pass Check

Further to our email of 11 January, there were unfortunately a number of students who did not have a bus pass or were using a broken or illegible pass when the representatives from Reading Buses checked the student's passes on 12 January.

On Monday, 30 January all students boarding the route 84 bus will have their passes checked to ensure that they are valid, the names of any students that do not have a valid pass will be passed onto school. If the student then tries to board the following day without a valid pass they will need to pay for their journey.

Please see the Brighter Futures link for further information on ordering bus passes:

Yours faithfully
