

09 February 2023

Dear Parent/Guardian

### Science revision session and PPE2

I would like to congratulate the Year 11 students for attending the extra intervention sessions, where offered and for trying very hard in the last half term.

The second round of Pre-Public Examinations will take place in the second week after half term (27.02.23 – 03.03.23) and I would like to support students in Science further.

Therefore, students are invited to the following extra support session:

**Tuesday after school session – 21 February 2023.** This will be delivered by the science department and will be from 15:15 until 16:15. Students who usually travel with Reading Buse can take the later public bus which stops outside the front of the school.

I would also like to remind you of the following interventions that are taking place:

- **Friday revision breakfast for separate scientists – beginning at 8am every Friday.**
- **Science revision assembly – whole year group – Monday during registration.**
- **Wednesday lunchtime – One-on-one or small group Chemistry session.**
- **Thursday revision breakfast for combined scientists - beginning at 08:00 every Thursday.**

A detailed revision list for the examinations can be found on Bromcom and Google classroom. Students have also been given paper copies of the revision list.

If you have any further questions please do email [k.hardman@maidenerleghtrust.org](mailto:k.hardman@maidenerleghtrust.org)

Yours sincerely

Ms K Hardman  
Head of Science
