Dear Parent / Guardian

### **Free Webinar – County Lines and Child Criminal Exploitation**

County Lines has been a regular topic in the news recently and although we are, thankfully, currently unaffected by these issues at MECE, it is certainly useful for parents and carers to know the dangers and early signs of criminal exploitation of children.

PACE (Parents Against Child Exploitation) and Thames Valley Police are hosting a free interactive webinar to share what criminal exploitation, including county lines, is and how to spot the signs that it may be happening to your child or a child you know.

The webinar is taking place on Tuesday 21 March, 7pm-8:30pm.

Please click on the link [here](#) for more information and to book.

Kind regards
