You might even learn a little bit of Russian! With themes of courage, friendship and finding out who you truly are, Sophie's books make for brilliant reading.

Sophie's books have been translated into over 20 languages and 'The House with Chicken Legs' was turned into a stage show recently.

If you like Sophie Kirtley or Katherine Rundell, you'll love these books!

Outline of the programme

The full-time programme – which will be open to male students aged 16-18 on 31st August 2023 – will provide aspiring players with the opportunity to develop their football skills whilst studying a BTEC Sports qualification. Through this new partnership talented and aspiring players won't have to pick between football and academic development; they can do both.

You'll study at Abingdon & Witney College's Abingdon Campus, and train directly with UEFA B qualified coaches at the Oxford United Bangkok Glass Training Centre.

This new study programme includes a sports based vocational qualification, GCSE English and/or maths as required, a supportive tutorial programme, work experience, and enrichment activities.

Focus on being your best!

First and foremost, the Oxford United Advanced Football Programme recognises the importance of your academic development. Through this unique programme you'll also have direct access to the Oxford United Bangkok Glass Training Centre which is part of the £4.9m sports complex near Horspath.

Here you will train and compete in a competitive league and cup tournaments against other teams across the region whilst representing Abingdon & Witney College and Oxford United.

For more information about the course and to apply visit:
