Dear Parent/Guardian

### **NEU Industrial Action – Thursday 27 April 27 and Tuesday 2 May**

I wanted to drop you a brief note regarding two further days of industrial action being held by the National Education Union on **Thursday 27 April 27** and **Tuesday 2 May**.

At present I am liaising with the union representative in school and working with my senior team and I hope to confirm our plans for the two strike days by the end of this working week, however, I felt it best to give you advance notice of this as early as possible.

Yours sincerely

Andy Hartley
