24 April 2023

Dear Parent/Guardian

Amended timetable - Friday 28 April

Over the course of this academic year, the UK has designated two additional bank holidays. Firstly, to mark the passing of Her Majesty Queen Elizabeth in September and secondly, the upcoming holiday in early May to celebrate the coronation of His Majesty King Charles.

As a result of these extra-ordinary Bank Holidays, students have missed a considerable amount of teaching time that falls on a Monday. Therefore, to support them we have looked at a number of ways to try and give them some additional curriculum time. Ultimately, we have made a decision to 'give back' a Monday on the timetable.

Therefore, on Friday 28 April all students will follow their Week 1 Monday timetable instead of their regularly scheduled Friday lessons.

Students have been informed of this during Tutor Time this morning and tutors have been able to answer any questions raised. They will be reminded again over the course of the week to ensure they are prepared with the correct books/equipment for the day.

Thank you for the support.
