Dear Parent / Guardian

CESA Fundraiser – The Inter-house Shrapnel Challenge Running 09-12 May

Next week (09-12 May), we will be running a House competition to see which House can raise the most money by collecting 1ps, 2ps and 5ps.

The winning House will be awarded 150 house points and a bag of sweets for each student in that House.

2nd place – 100 house points

3rd place - 75 house points

4th place - 50 house points

Students are requested to bring their “shrapnel” to the canteen at lunchtime on Tuesday, Wednesday, Thursday or Friday next week where they can add it to their House collection at the “Shrapnel Station”.

All students making a donation will receive a house point.

So, empty your change pots and pockets of all that annoying small change and send it to school with your children next week. All funds raised will go towards purchasing resources and experiences to enhance our students’ education.

Thank you for your support.

Yours sincerely

Your CESA Team
